MELBOURNE HIGH SCHOOL
A STATE SECONDARY COLLEGE
ABN:99 980 701814

Dear Parent/Guardian,

Melbourne High School is looking forward to another great year of teaching and learning. Melbourne High School has a strong tradition of scholarship and the provision of an educational program that provides depth, breadth, and challenge. Our programs are designed to allow highly able students to be the best version of themselves that they can be.

Our ethos is based on a philosophy that we are also more than just marks. The **School's** conditions are about developing students who are well-rounded persons, and not merely those who are well educated. Our programs cannot be delivered without your financial contributions. We welcome your support for 2025.

As per the Department of Education's policy, schools provide students with free instruction to fulfil the standard Victorian curriculum. As we know, our students are highly capable and their needs extend well beyond the standard curriculum.
